Darya Kaspiarovich

Computer science student

dkllamff@gmail.com   +48577925729   Warsaw, Poland

Profile

Final-year computer science student skilled in both frontend and backend technologies, with a focus on Java, JavaScript, and Python. Regularly studying and improving my knowledge through practical and academic projects. One of my strengths is flexibility. I can quickly learn new things and switch between different technologies. Looking for a position that enables me to use and develop my problem-solving, communication, and analytical skills.

Education

Engineer's Degree, Vistula University, Warsaw   *October 2021 – Present*
